

CULPEPPER STORE OPENS FRIDAY

New Store Inaugurates Better Merchandising Era For Central Texas

Formal opening here on Friday, June 22, 1945, at 10 a. m. of the new Culpepper store, will inaugurate a new era of merchandising for Cameron and central Texas. This store will not only be a merchandising mart of tremendous size and strength but will support a superior service to buyers.

The store is well departmentized and arranged. Shopping will be facilitated because of the unique and modern displays and each of the several departments will be under the personal supervision of competent managers. Each will be responsible for its keeping and for the stocks which are to be at the highest possible volume level at all times.

Culpepper's hardware and home furnishing store and auto supply market, will open here on Friday, June 22, it was announced Thursday.

Mr. Culpepper was rapidly filling the fine new store with merchandise. It will be one of the most modern stores in Central Texas and one of the largest.

The interior of the store has been completely redecorated. Mr. Culpepper used birch veneer to make wall and counter decorations. Counters and display arrangements are individual and most unique. As one enters the store the entire arrangement and decorative scheme is breathtaking and as you proceed down the more than 200 feet of floor space the grandeur of the displays and departments increases.

The furniture department is the first display. The follow in order other departments and the central office and beyond the automotive supplies. The largest department is shelf and heavy hardware, taking most of the east section of the main floor. In the rear of the display rooms for wall paper and floor coverings is a warehouse 30x110 feet.

Farm implements are to be stocked later.

H. P. CULPEPPER MAKES PROGRESS IN BUSINESS

H. P. Culpepper who founded the new store in Cameron is pleased over well deserved tribute being paid him by his fellow townsmen and by business men alike for this new business venture is something of a triumph for an already distinguished career in business.

Few young men have achieved so much as Mr. Culpepper who began business here some years ago in a small way. His thrift and industry have yielded rich dividends and today as he opens the new store, one of several he owns, he can reflect with satisfaction that both the years and his ability to work and manage have brought unusual achievement.

In recent months Mr. Culpepper had turned in large measure to farming and livestock interest. A large landowner he has found an outlet for capable energies and capital in Milam county soil and today is thoroughly identified with producing landed interests in the county.

Mr. Culpepper has had the new idea under consideration for some time. Naturally a store of this magnitude required many months to plan. While the volume of merchandise to greet the public on the formal opening date here Friday, June 22, 1945, will not be as large and as varied as Mr. Culpepper would like. Indeed such is impossible under war conditions. As plans are projected (continued on page four)

Here is shown the imposing front entrance to the new Culpepper, hardware and home furnishing store, to be formally opened here on Friday, June 22, 1945. This building purchased last year by H. P. Culpepper was used for USO activities until recently. It is one of the largest store buildings in the city. Several months have been required to place it in condition to accommodate the stocks of merchandise.

Nettie Lou Rosenberg In Kitchenware Dept. Of The New Store

Miss Nettie Lou Rosenberg will have a large share of the responsibility in the management of the new store for she has been placed in the Kitchenware department where one of the largest stocks in all departments has been displayed for the opening of the new store here on Friday, June 22, 1945.

Mr. Culpepper has selected the employees of the store with the view of obtaining the best sales personnel and has been careful to let each one assemble these stocks so that the maximum of pride will be shown in the success of these departments.

The kitchenware department is as nearly complete as possible and visitors at the store on Friday will find many things they have long waited to buy.

Rufus Reichert to Be at Culpepper's

Rufus Reichert will be at the Culpepper store and will assist in every way possible with the business.

When time affords he will do his share of sales work in the departments and will be of great help in rendering the kind of service the store has announced will be its policy for buyers in the territory.

Mr. Reichert is widely known and friends everywhere will be glad to know he will be at the new Culpepper store.

Cameron Girl Promoted To 2nd. Lieutenant

Camp Swift, Texas, June—Opal Dotson, a Cameron graduate nurse, has been commissioned a second lieutenant in the Army Nurse Corps and is now taking her basic training at the Army Nurses Training Center at the Regional Hospital.

Lt. Dotson, daughter of Mr. and Mrs. Louis Dotson, 205 North Rusk Street, Cameron, received her nurses training at Jefferson Davis Nurses' training School, Houston, and was employed there prior to her entry into the ANC. She has a sister in the Army Nurse Corps and a brother in the Army Air Corps.

For the next four weeks she will be taking a course which is designed to acquaint the nurses with the army and at the same time prepare them physically for any type of duty with medical corps installations. Included in the physical program are hikes, calisthenics and drill.

A. J. ROSENBERG TO MANAGE NEW STORE

A. J. Rosenberg, widely known merchandiser, will be manager of the new Culpepper store in Cameron which will be formally opened for business on Friday, June 22, 1945.

Mr. Rosenberg is no stranger to the big job ahead for he has had years of experience in this business and during recent years has been identified with similar business enterprises in Cameron.

His advancement has resulted from the basic factors which mean success. They are hard work and intelligent application of energy, plus many of the natural qualifications that take men to the top in their chosen fields of to the top in their chosen fields of business career at Sharp where he was born and reared.

During recent years he has lived in Cameron and has become widely known over this section. A young man with experience he fits into his new position with admirable success in the beginning. When Mr. Culpepper announced that he had obtained the services of Mr. Rosenberg for the job of managing the new store, friends everywhere were greatly pleased for they had watched his career and his progress.

Of especial interest is the fact that Mr. Rosenberg knows merchandise and is store wise. Culpepper's under his management will become the home of better service.

Mr. Rosenberg radiates energy and enthusiasm. His is the commanding personality. Employees in the store are of one accord in their praise (turn to page four)

JOHN C. ANDRES IS THE OFFICE MANAGER

John C. Andres, experienced and well known office executive, will be office manager of the Culpepper store to open here in Friday, June 22, 1945.

Mr. Andres who has been identified with business in Cameron for many years, recently held a responsible place as cashier at the Southern Pacific and for years held a similar place with the Cameron Machine Shop.

During these years Mr. Andres has continued to add to his experience until he has become one of the best known office managers and bookkeepers in this section. Widely (turn to page five)

Agnes Macal Manages Two Departments in New Culpepper Store

Miss Agnes Macal of Cameron will be manager of the kitchen ware and dish and chinaware department in the New Culpepper Store which is to open here on Friday, June 22, 1945.

Miss Macal has had 8 years of experience in Cameron stores and comes to the management of these two departments at the Culpepper store with the highest recommendations and qualifications.

Mr. Rosenberg, manager of the store, was happy to announce Wednesday that Miss Macal had accepted the management of these departments. Miss Helen Reichert and Miss Nettie Lou Rosenberg will be in these departments and under the supervision of Miss Macal.

JOHN STANISLAW IS HARDWARE MANAGER

John Stanislaw, one of the best known hardware men in this section, will be manager of the hardware department at the Culpepper store to open here on Friday, June 22, 1945.

Mr. Culpepper in assembling the personnel of the new store was particularly anxious to have a good hardware man for this department is the largest in the entire store.

Mr. Stanislaw has been on the job for days arranging the stock and expressed his satisfaction at being able again to get into a business he so well likes. For years he was associated with hardware stores here but had been in another business until he was employed by Mr. Culpepper.

Mr. Stanislaw has spent some 20 years or more in the hardware sales business and knows well the merchandise (turn to page five)

Miss Helen Reichert In Dish and China Ware Department

Miss Helen Reichert has been placed in the dish and chinaware department at the big new Culpepper store to open here on Friday, June 22, 1945.

Miss Reichert like all others in the store has been at work for several weeks arranging the stock in her department. She will take special pride on Friday in greeting the visitors at the store and to show them through her department.

She has been able to assemble many items in this department and its future contemplates one of the largest stocks in central Texas.

That's All!
to you,
Mr. Culpepper

Opening of your finer, larger new store is material evidence of your foresight, keen management, and a real faith in the future of Cameron. We are confident the new merchandising methods made possible by your larger quarters will lead to but one thing . . . continued growth!

Proven
Quality
Products

The role Pratt's Proven Quality Paint Products have had in your progress is gratifying to us, indeed. But not surprising. For Pratt's Proven Quality Products are an important factor in the success of more than five hundred alert, progressive Southwestern dealers. Every day Pratt's Paints and Varnishes are winning and holding consumer preference with their inherent fine qualities and economy. So keep up the good work, Mr. Culpepper! We wish you continued success with Pratt's Proven Quality Paints and Varnishes.

PRATT

PAINT & VARNISH COMPANY

426 FACTORY STREET. DALLAS, TEXAS

OUR NEW STORE WILL OPEN

FRIDAY, JUNE 22, 1945.
At 10 a. m.

You are cordially invited to attend the formal opening of CULPEPPER'S new store in Cameron on Friday, June 22, 1945. If you cannot be there during the open house hours, you will be welcome at any other hour. We have fixed the following schedule:

Store will formally open at 10 a. m.

Open House hours will be from 11 a. m. to 2 p. m.

During open house hours refreshments will be served.

There will be souvenirs for each one.

Managers of the departments and sales personnel will show you through the fine new store.

BIG THREE TO MEET IN GERMAN CAPITAL

President Truman, Marshal Stalin and Winston Churchill, the Big 3, will hold an important conference in Berlin soon, it became known late Friday when Mr. Churchill received a letter from a British delegate to the conference, accepting the appointment.

It was not known where the meeting would be held. Now the secret is out. The Germans will be further humiliated when the heads of the victorious powers meet. It was believed France may participate.

President Truman hopes to have Senate approval of the San Francisco charter for world peace before he goes to the meeting.

Chamber Commerce to Push Membership in July Activities

Chamber of Commerce activities in July will feature membership.

President McCullin has announced plans for a barbecue to be held during the month of July, the date to be announced later. All members of the chamber will be invited. John Prade is chairman of the committee.

The chamber plans an intensive canvas for membership under the committee headed by E. C. Cole. The membership is small as many firms do not contribute.

GIRL SCOUT NOTICE

Mrs. Lottie Bigbee, Commissioner of Girl Scouts has announced that the Girl Scout Camp which was scheduled to open Monday, June 18th, has been temporarily postponed.

L. B. Bullock, City Secretary and Commander of the American Legion of Rogers transacted business in Cameron on Saturday.

More Money Than Ever Before Needed for 7th

WASHINGTON, D. C.—Announcing plans for the 7th War Loan Payroll Savings Drive, Ralph G. Engleman, Director of Payroll Savings for the War Finance Division of the Treasury Dept., said today: "The Seventh War Loan will be one of the two great War Loans planned for 1945. More payroll money will have to be raised from individuals in this War Loan than ever before."

"That money is needed first, of course, to help pay for the war. Just as important, however, is the fact that with incomes up, employment high, and consumer goods scarce, it is vital that we get every possible dollar over rock-bottom expenses into War Bonds—NOW."

"More money than ever before is in the hands of the men and women who work in the plants, offices, and shipyards of the country. It is the plan of the Seventh War Loan to pay particular attention to the sale of E Bonds to workers through the medium of the Payroll Savings Plan. This advance drive will start early in April and all payroll allotments plus extra cash or increased allotment sales made in the months of April, May and June and processed between April 9th and July 7th will count in the Seventh War Loan totals."

"Each company has been asked to accept a Seventh War Loan quota for sales to employees. This quota is based on the average wage scale of a company and represents its share of the overall national objective."

"This advance Seventh War Loan drive which starts in the plants, offices and shipyards in April is a crucial test. Management and labor must urge every worker throughout the country to buy Bonds with the last possible cent he or she has available."

"Only in this way can we reach the great quotas which have been assigned."

In China the mourning colors is white; in early Egypt it was yellow; Ethiopia, brown; Turkey, violet.

Showers for the bride originated in Holland.

Culpepper Store to Feature Volume of Merchandise Here

Culpepper's store to formally open for business here on Friday, June 22, will feature volume merchandise with nationally advertised brands.

Mr. Culpepper has been able to get large shipments of goods and the store will open with shelves and counters resembling pre-war merchandising markets.

New goods are arriving daily. Mr. Culpepper said he will not be able to get all goods desired. This will have to wait until after the war or until civilian needs are met in full.

The new store, is one of the finest in central Texas and its arrangement is strictly modern.

On opening day the store will feature hard to get items, limiting one to a customer.

Sgt. and Mrs. L. D. Hill were in Cameron Friday. Sgt. Hill will report for duty at Fort Sam Houston Monday.

Prior to the death of Charles VIII of France, in 1498, widows wore white as mourning. His queen, Anne, changed the custom when she clothed herself in black.

Loretta Becker of Walkers Creek was in Cameron recently.

Make Richer, Creamier Soup the Daricraft Way

COOL DAYS CALL FOR GOOD HOT
SOUP, DELICIOUS AND NOURISHING

A bowl of piping hot soup, delicious and nourishing, always hits the spot this time of year. And improved-flavor Daricraft Milk makes creamy smooth, wonderfully rich soups that your whole family will enjoy. For grand results, use the tested recipes below.

TOMATO SOUP

1 Cup Daricraft Evaporated Milk (bot)
3/4 Cup Tomato Puree
1/4 Teaspoon Soda

Let puree of tomato come to a boil, add soda and stir, then add to hot milk. Salt to taste. Serve hot.

PEANUT BUTTER SOUP

1/2 Cup Peanut Butter
1 Tablespoon Flour
3 Cups Daricraft Evaporated Milk (bot)

Mix peanut butter, and flour together, then add hot milk. Cook in top of double boiler for 15 minutes. Salt to taste. Serve with toasted bread sticks. (Minced celery can be added to the above for flavor if desired.)

Daricraft Cream Potato Soup is extra tempting, too. Get Daricraft right away and serve these delicious soups at the very next meal. Remember, Daricraft makes good foods taste better!

How long will it take to beat JAPAN?

One Year? Three Years? Five Years? Look at the Facts
From the Army and Navy. Then Figure it out for Yourself

In spite of Midway, Bougainville, Tarawa, Saipan, Leyte, Manila, Iwo Jima, Okinawa, and all the other American victories, Japan now controls an area and population far larger than the United States, and with many natural resources greater than ours.

Her home islands are industrialized and organized to the last rivet, the last kilowatt of power, the last pair of human hands.

Japan can put in the field over 4,000,000 well-trained, battle-hardened troops, many with ten years of war behind them. This force is twice as large as all the German armies which defended France, the low countries and the Western front of the Reich against the combined armies of the United States, Britain, Canada and the Free French.

Back of these soldiers are more than 70 million civilians on the Jap home front, firmly indoctrinated in emperor worship—every

man, woman and child ready and eager to die for the man they believe is a god.

Japan is fighting on "interior" lines. It's true that its fleet is now much smaller than ours. But never forget that the U. S. Navy has a much bigger job to do.

The Japs have stated, and no thinking man or woman doubts it, that they are prepared to sacrifice 10,000,000 men to hold their empire. To the Japanese, life is cheap. The emperor and the state mean everything—the individual, nothing.

If the war were to end tomorrow, Japan would have put the seal on a conquest greater than Napoleon's.

"But," you say, "the war with Japan won't end tomorrow."

Well, what about it? Will it end "tomorrow," or next month or next year, for you? Are you planning to quit your war job, stop

your blood donations, slacken your Bond buying, use more gas, have more fun, ease up generally?

Before you do, remember that many a gallant American boy, now vibrant with the breath of life, will die at the hands of the Japs.

How many?

Thousands? Certainly. Hundreds of thousands? Probably.

Well, how many?

That's up to you.

How you can help

- 1 Keep that war job!
- 2 Keep buying Bonds!
- 3 Keep doing all your country asks!

IT'S A TOUGH ROAD TO TOKYO

There are about 20,000 species of birds in the world, about 800 of them being in the United States.

B. B. Brand was in Cameron recently.

Mrs. Tom Smith is visiting her son, T. U. Smith, and daughter, in Houston for the week.

LIONS CLUB APPROVES PLANNING BOARD HERE

The Planning Board of which H. M. Hefley, President of First National Bank, is chairman, was unanimously indorsed on Tuesday by the Cameron Lions Club.

The Board named by Mayor Chas. C. Smith has undertaken a survey of needs here and may soon make a report. Among the improvements thus far suggested are a municipal building and memorial library and museum and auditorium building.

The influential Lions Club indorsement was regarded as very significant of support of the Planning Board's program in Cameron.

Dan Tyson, City Secretary and Treasurer, and prominent member of the Club, said the indorsement made Tuesday was unanimous.

Mrs. J. D. Turney of Liberty was a Cameron visitor recently.

You naturally hear Coca-Cola
called by its friendly abbreviation
"Coke". Both mean the quality product
of The Coca-Cola Company.

CULPEPPER
(continued from page one)
for the future this store is scheduled to become a merchandise mart of tremendous proportions.

Design of the display department and general decorative scheme of this store was planned by Mr. Culpepper. His experience will enable him to meet all demands for service and for merchandise. Because of his volume buying Mr. Culpepper will have little or no difficulty in providing merchandise at attractive price levels at all times.

Mr. Culpepper purchased the building from Citizens National Bank a year ago. It was being used for USO activities and was continued in that use as long as possible. Several months were required to complete the improvements.

A veteran of World War I. Mr. Culpepper has one son, Sgt. Wallace H. Culpepper who has just returned from the Mediterranean theatre of

war where he made a distinguished record as a gunner in aerial combat. Sgt. Culpepper, when the war is over, will be associated with the store.

ROSENBERG
(continued from page one)
for their smiling new boss whose helpful counsel has enabled them to get their departments in order for the opening.

Mr. Rosenberg is a native born citizen and knows the people and the demands for merchandise. He has visualized a great store in Cameron and thus far has achieved wonderful results. His business ability will be the deciding factor in the future growth and development of this store.

Carrie Nation's maiden name was Moore. Her first husband's name was Floyd. She became famous as a saloon-wrecker after she married David Nation.

GIRL SCOUT NOTICE

Mrs. Lottie Bigbee, Commissioner of Girl Scouts has announced that the Girl Scout Camp which was scheduled to open Monday, June 18th, has been temporarily postponed.

L. B. Bullock, City Secretary and Commander of the American Legion of Rogers transacted business in Cameron on Saturday.

ANDRES
(continued from page one)
known for his citizenship and civic activities, Mr. Andres is Secretary of the Cameron Rotary Club, along with other similar positions in various club and fraternal activities.

Mr. Culpepper was pleased to announce that Mr. Andres will have charge of the offices in the new store not only because of the importance of the work to the success of the store but because of the exceptional abilities Mr. Andres has for this detail.

As office manager Mr. Andres will have an opportunity to utilize his business experience, his knowledge of the types of merchandise to be stocked and sold and of credits.

The system of bookkeeping will be modern in every way and will afford its share of service to patrons. The offices are located in the central part of the store and Mr. Andres will be on hand Friday to do his share in extending welcome to the people who will visit the store on that day.

Mr. and Mrs. Buck Darwin of Texas City have moved to Cameron. Before moving to Texas City they were residents of Cameron.

Miss Mildred Cryer of Austin visited relatives in Cameron over the week end.

STANISLAW
(continued from page one)
chandise he is to sell in the new store. He knows the needs of this section and farmers and all users of hardware can be assured he will see that the stocks meet demands at all times.

The store plans to stock farm implements and here again will the services of Mr. Stanislaw be most beneficial.

The hardware department of the new store, will not be as complete as the management would like it featuring a large volume of goods and among them many hard to get items. They feel they have been most fortunate in assembling this stock and when the store opens on Friday buyers though limited to one item in many cases will have opportunity to buy many things they have long needed.

Jane Burke, better known as Calamity Jane, was an Indian scout and for several years carried government mail between Deadwood, S. D., and Custer, Montana.

William Morrison of Des Moines, Iowa, in 1892, made the first electric automobile.

The ancient custom of saying grace was observed as early as the 3rd century.

Valued Souvenirs of German War Sent by Cpl. Alphonse Mikulec

Cpl. Alphonse Mikulec, with the First Army under General Hodges, has completed a long and dangerous service in the war in Europe and has been fortunate in the collection of relics.

Frank Mikulec, Sr., father of Alphonse, has received two shipments of mementos of the war, all taken from the Germans. In the first shipment were four fur jackets, used by ski troops. They are very fine and of excellent make and preservation, one of them new. There were also 4 fur caps, the type worn by ski

troops and by airmen. Other items include: Officers dress cap, dress belt, a Gestapo lash, soldiers helmet never used and two beautiful brass cups.

The second shipment included a German rifle, disassembled, two swords and 4 bayonets. Two of the bayonets are extra fine and bear the Swastika and were presented by Hitler to ranking officers. They are silver mounted.

Cpl. Alphonse Mikula, with the famous 2nd Division, recently was honored by being selected to speak to some 20 thousand Czech citizens. His army unit is now in Czechoslovakia the home of his ancestors. He speaks Czech and was chosen to make the address.

Yes

IT WILL PAY YOU
TO FIND OUT ABOUT

Whether you now have an underground Butane tank system, or are planning to install Butane Gas Service after the war, it will pay you to think first of Lone Star Gas Company. For Lone Star is the organization equipped with trained personnel and facilities to render a continuous, dependable and safe service at a low price.

Butane service starts where preferred Lone Star Natural Gas Pipe Line Service ends.

LONE STAR GAS COMPANY

CONGRATULATIONS TO

Mr. H. P. Culpepper

On his splendid achievement in the founding of the new store in Cameron.

This new store looks to the future and is concrete evidence of a progressive faith in our city and county.

Awarded Bronze Star

PFC. JOHN W. PATTERSON

Pfc. John W. Patterson, U. S. Army Air Corps, now stationed somewhere in Assam, India, has been awarded the Bronze Star, according to information reaching his sister, Mrs. O. L. Baldrige of 1409 North Travis Street, Cameron.

Pfc. Patterson is the son of Mrs. J. H. Holloway of 503 East 23rd Street, Cameron, and has a brother in service, Sgt. James E. Holloway, who is stationed in Brussels, Belgium.

Mrs. Patterson and their small son also reside in Cameron with her parents while Pfc. Patterson is away with the Air Corps on foreign duty.

SUICIDES INCREASE IN JAP RANKS ON OKINAWA

Guam, Saturday, June 16.—The Japanese—already quitting the hopeless fight by the hundreds—were raked Saturday by ceaseless fire from naval guns, bombs and artillery as the Americans strove to sweep them from Yaeju Plateau and complete the subjugation of Okinawa.

Driven from Yaeju Peak, the island's highest, in a one-hour onslaught after flamethrowing tanks set the whole hill ablaze, the enemy clung stubbornly to Yuza Hill, a mile to the west.

The Japanese likewise held on to heights a mile or so east of Yaeju Peak, but battlefield dispatches declared there were unmistakable signs the enemy was beginning to break up under the pressure of infantry and the unceasing ordeal of fire.

Enemy suicides were increasing daily. Infantry charging over the hills and ravines strode across the bodies of Japanese, many of whom had committed hara kiri.

Once the heights on both sides of Yaeju Peak are cleared the Americans can sweep down the slopes of the plateau toward the sea, for no good defense positions will remain.

Sgt. Herbert Dueser Stationed Wright Field

Sgt. Herbert M. Dueser, Rt. 1, Cameron, has reported for duty at Air Technical Service Command, Wright Field, Dayton, Ohio, and has been assigned 4000th AAF Base Unit, Wright Field. Wright Field is the Air Forces' engineering, procurement, maintenance and supply center.

Jackie Thompson is spending a few weeks with Mr. and Mrs. Ray Thompson of Cameron.

SUGAR SHORTAGE CUTS COCA-COLA OUTPUT

The supply of Coca-Cola in Cameron definitely will be affected by the further curtailment in the supply of sugar after July 1st, because the manufacturer of that popular drink will not compromise with the use of substitutes. However, and equitable system of rationing will be maintained in Cameron during the shortage, according to F. G. Blake, President of the Cameron Coca-Cola Bottling Company.

The OPA announced today that the allotment of sugar to industrial users would be cut to 50 per cent of the sugar used in the third quarter of 1941, effective July 1st.

"I am informed that this sugar shortage is worldwide and not merely national and is directly attributed to the confusion in the production and distribution of sugar occasioned by the war," said Mr. Blake. "Sugar is absolutely necessary in the manufacture of Coca-Cola. We cannot and will not use sweetening substitutes, and therefore will not compromise with the integrity of Coca-Cola. Therefore when sugar is short, there must be a shortage in the amount of Coca-Cola, but you can be certain that the quality of Coca-Cola will remain unchanged. My company is

committed to play fair with our government both letter and spirit; to maintain and obey its regulations in the quality of our drink and to maintain an equitable distribution system to serve all our customers equally and still to get you all of the Coca-Cola

"We still have a war to win and that comes first, but we will attempt still to get you all of the Coca-Cola that is possible and what we have will be available to all. I only ask that if your dealer does not have Coca-Cola available on the day you seek it, ask him another day because we will keep our distribution up on a regular basis although the supply will be curtailed."

Mr. and Mrs. Eric Malone have received word from their son Lt. S. E. Malone who has arrived in Houston and he will reach Cameron shortly.

Next Tuesday, June 19th, the Business & Professional Women's Club will hold their annual picnic party at the City Park, with each member bringing a covered dish, and will meet at 7:30 o'clock. All members are expected to be present.

SGT. JACK LOFTIN IS BACK IN THE STATES

Sgt. Jack Loftin has arrived at a military camp in New Jersey.

Sgt. Loftin dispatched a telegram to Mrs. Ben Kennon here on Wednesday announcing his arrival there. He was expected to reach his home here within a few days.

Sgt. Loftin was a gunner on a B-26 Marauder bomber and was taken prisoner by the Germans when his plane was shot down while on a bombing mission. Sgt. Loftin was not injured.

His family had received no word from him for several months. Mrs. John Bunt, a sister in Houston, two weeks ago received a letter from her brother. Following the German surrender, he was soon restored to his own command.

Peach Specialties

Fill halves of canned peaches with cranberry jelly and heat in the oven. They're delicious with chicken or ham.

Herbert Brinkman Dead; Father at War Never Saw His Son

Herbert Edward Brinkman, two month old baby son of Pfc. and Mrs. Herbert H. Brinkman, died Friday, June 15, 1945, at 1:30 p. m. after a two week illness.

He is survived by his mother, the former Gladys Nelson of Cameron, and his father, Pfc. Herbert H. Brinkman, who was a prisoner of the Germans, but was liberated on March Brinkman never saw his son. Herbert Edward is also survived by his

grand mother, Mrs. Brinkman of Caldwell, and his grand father, Tom Nelson of Hoyte.

The body will remain at the Phillip & Luckey Funeral Home at Caldwell until the funeral hour, which has not been arranged at this time.

Mr. and Mrs. Charles McDermott accompanied by their daughter, Miss Frances McDermott and Mrs. W. O. Triggs, attended Commencement exercises at T. S. C. W. Denton the past week.

The passenger pigeon became extinct in the United States in the 1880's.

MARCH OF TIME

"The Returning Veteran"

The courage which carried the American soldier into battle will see him through in the days to come, as shown in these scenes from March of Time's "The Returning Veteran." Once the shock of learning that he must go through life without his own arm has been overcome, the veteran above is surprised to learn things may not be so bad after all. One of the first steps toward recovery is learning how to use one of the new artificial arms perfected during this war. He starts his training on specially built practice doors and windows. Later, through participation in games like ping pong, he learns that pleasant pastimes are not necessarily denied him. And finally, encouraged by these successes which a year ago he would have declared impossible, he may well become an exceptionally skilled craftsman.

Any serviceman, however courageous, may encounter a series of shocks and ordeals more shattering than the human mind can support, as these dramatic scenes from March of Time's "The Returning Veteran" graphically demonstrate. For these men whose wounds though invisible are no less severe, the road back may be strewn with many emotional barriers and upsets. But sympathy and understanding can start them on the way to recovery through manual tasks which give them once more the sense of accomplishment. Finally, under the healing balm of time, they can resume a useful and happy life.

COUNTY \$93,000 SHY OF E BOND QUOTA

Milam county was \$93,000 short of the goal in the E bond quota according to figures released by Dan Tyson, War Finance Chairman for the county.

The figures are up to June 9, and are as follows: Sales for the week amounted to only \$5,606.25 and the grand total of E bonds was \$267,900.50.

Cameron with a goal of \$96,000 was going the snail route to get over the goal and finally had reported \$81,733.75. Rockdale with a quota of \$64,000 had bought 68,191.75.

The E bond quota for the county is \$360,000.

Mr. and Mrs. J. M. Delahunty and daughter, Mrs. Margaret Sue Nicholas and grand daughter, Patsy Ann Doolley, all of San Angelo are visiting Mr. Delahunty's mother, Mrs. P. M. Delahunty of Walkers Creek and other relatives.

Frank Tomek of Elm Ridge transacted business in Cameron Tuesday.

Mrs. J. A. Cryer and son have returned from Austin where they visited her daughter, Miss Mildred Cryer of Austin.

Jane Burke, better known as Calamity Jane, was an Indian scout and for several years carried government mail between Deadwood, S. D., and Custer, Montana.

The idea of using a cross in place of a signature dates back to early medieval times.

William Morrison of Des Moines, Iowa, in 1892, made the first electric automobile.

Paul Lannartz, agent for the Southern Select Brewery transacted business in Cameron Tuesday.

J. L. Raska is a Newton Memorial Hospital.

Roosevelt's Appeal for 7th War Loan

WASHINGTON, D. C.—Before his death President Franklin D. Roosevelt issued a statement in support

MR. ROOSEVELT

"I don't need to tell you that we are still locked in a deadly struggle with our enemies—the enemies of our way of life—and the war is still the chief job of each one of us. The greatest production of which we are capable, faithful adherence to regulations that make it possible to supply our boys in battle with everything they need, and buying and holding War Bonds—these are things we at home must do to speed victory.

"In the past three years more than 85 millions of Americans have invested billions of dollars in bonds. Never before have so many people held such a direct share in a great national effort. To save—to buy and to hold all we can of war bonds—this is a small service to ask of us who do not fight—yet it is one of the biggest things we can do for our fighting men."

Frank Winfield Woolworth was the founder of ten cent store (February 1879).

Mrs. C. T. Dodson and daughter were in Cameron recently.

Johnnie Yates who recently returned from the European Theatre of War is visiting relatives in Cameron.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night". A carefully blended combination of 16 herbs, roots, vegetables, balsam; Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many people say have a marvelous effect.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department A, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

COURT LETS CONTRACT ON SALEM ROAD BRIDGE

A bridge across a slough in Little River bottom on the Salem road, will be built at a cost of \$12,397.66.

The Commissioners' Court has awarded a contract to the Austin Bridge Company for the construction of this bridge.

The bridge is to be built in the bottom a short distance from Holtzclaw bridge where floods have washed out the old bridge and the road bed. The bridge is to be completed by the latter part of August or early September.

Carrot Tons

Carrots with no tops stay crisp longer than those that have the leaves left on. Reason is that the moisture of the carrot goes into the leaves and is there evaporated.

Lens Projects Beam 22 Miles

A \$20,000 lens in use at the Navesink, N. J., lighthouse permits the projection of a light beam 22 miles.

Profitable Woodlands

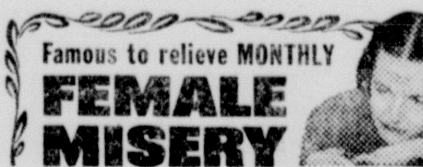

Well-managed woodlands pay dividends. Follow a plan of cutting which will preserve valuable trees until they will yield the largest returns.

Billie Tindall has returned home from the Newton Memorial Hospital.

It required 13 years to build the Brooklyn Bridge.

Earrings are still worn by some fishermen on the Belgian coast.

There are 130 bridges across the Mississippi River.

(Also Fine Stomachic Tonic)

Lydia E. Pinkham's Vegetable Compound is famous to relieve not only monthly pain but also accompanying nervous, tired, highstrung feelings—when due to functional periodic disturbances. Taken regularly—it helps build up resistance against such distress. Pinkham's Compound helps nature! Follow label directions. Try it!

Lydia E. Pinkham's VEGETABLE COMPOUND

Lazrus Milam Loses His Sugar; Big Supply Given to Others

Lazrus Milam (no kin to Ben) beggar among Texas counties and who has to be satisfied with crumbs that fall from the tables of the favored many, today faced the most serious development in the history of his decline.

With his food points long since taken away from him, is no longer able to bring home the bacon, his sugar supply has vanished. As one sugar panel member puts it "members of the panel are tearing their hair this week." What do you think Lazrus is doing?

Milam county had 92 thousand pounds unused sugar. Now Lazrus has 835 pounds left and 450 applications are pending. There won't be enough sugar for Grand Paw Lazrus to stir up toddy with this winter to say nothing of the fruit crop that needs to be penned up in jars against the stark need in the months to come.

Why didn't somebody think of this before the sugar was taken away from Lazrus and given to another

county? The answer is a related detail to other shortcomings, gross neglect and general decline. Two weeks ago a keg of beer was stolen in Cameron. Half the population joined the local gestapo in the hunt and it looked for a while as if the FBI might be brought in, the case. Poor Lazrus! If they ever begin to ration snuff civilization as we now know it will fall apart.

Vaughn Jenness visited relatives in Cameron over the week end.

Walter Bailey of Rockdale was in Cameron Thursday.

A. J. Gunnels of Hanover, pioneer, was greeting friends here Saturday afternoon. Mr. Gunnels, an old timer, tells many fascinating stories of the old days, some of which would make the tenderfoot of the modern day give up in despair.

We print the News!

Jack Barnes of Buckholts was in Cameron recently.

Mrs. Jesse Kirk is in Newton Memorial Hospital for treatment.

Mrs. Annie Brooks and children of Houston are visiting relatives in Cameron.

'For your every need'

CAMERON, TEXAS

CAMERON THEATRE
THURSDAY AND FRIDAY,
JUNE 21 AND 22

Let me tell you why War Bonds are even better than savings in cash.

It's human nature to spend... often for things we don't need. The temptation is great when all we have to do is write a check. But with War Bonds it's easy to save... for fertilizer, rebuilding depleted herds, repairs for fences, buildings, and new equipment. These things must be replaced first because they represent the earning power of your farm.

When you own War Bonds, you're safe. You know Uncle Sam is protecting those bonds and saying: "Sure you can have the money when you need it—any time you want it. But hang on to those bonds, and at maturity I'll give you four dollars for every three you loaned me."

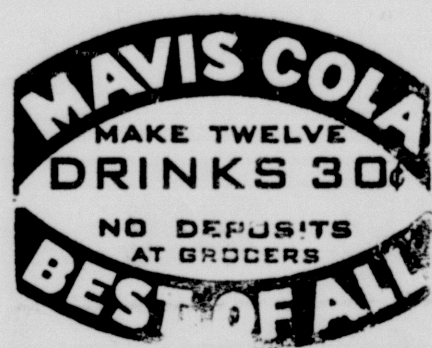

When the market flashes the green light for those deferred needs we've been waiting for, you'll be mighty glad you've got that backlog of bonds. So buy War Bonds now... and keep 'em.

Stop at the Sign
of Skilled Service

From field
telephones
...to farm
telephones

The army field telephone set is a rugged product of telephone science. The same research and skill which go into these tough little battle talkers are going today into plans for postwar farm telephone service.

Already, research has found new ways to extend and improve farm service. Practical telephone men are busy right now with such developments as a system for sending telephone messages over electric power lines—new types of wire to string on poles or bury underground—dial telephone systems for small communities and surrounding farms—radiotelephones to reach remote spots.

When the wartime job eases up, plans for postwar farm telephone service will be ready to go.

Cameron, Texas

Stationed in Virginia

PVT. JOHN D. LEWIS

Pvt. John D. Lewis, Jr., better known to his friends as "Doug," son of Mr. and Mrs. J. D. Lewis of Buckholts, is a graduate of Yoe High School of Cameron. He graduated two years ago, and entered North Texas Agriculture College, but volunteered for the U. S. Marine Corps, and entered the Service August 7, 1944, and placed on "Inactive duty." He is 18 years old.

On December 20, 1944, Pvt. Lewis was called to active service, and reported to Paris Island, S. C., where he took his boot training. After completing this training he was transferred to Camp Lejeune, N. C., where he acquired his combat training.

Pvt. Lewis is now stationed at Quantico, Va., on detached service for three months. He expects to return to Camp Lejeune for a refresher course in the Infantry before going overseas.

GEN. BUCKNER KILLED IN ACTION ON OKINAWA

Lt. Gen. Simon Bolivar Buckner, Jr., commander of America's 10th army on bloody Okinawa island, has died in action.

Announcement of the officer's death was made Tuesday by Fleet Adm. Chester W. Nimitz as Japanese opposition on the island broke wide open and Nippon remnants fled in the open toward the southern Okinawa cliffs close to the sea.

General Buckner died instantaneously early Monday afternoon in the burst of a Japanese shell as he watched his marine forces strike against the stubborn Nippon line.

As the general's life ended his doughboys and marines smashed through Japanese positions in all sectors and by nightfall the Nipponese defenders were crumbling and resistance diminishing.

Maj. Gen. Roy S. Geiger, of the marine corps, took over the 10th army command.

The trapped Japanese, their backs to the sea, were under heavy artillery and naval gun fire.

On other Pacific-Asiatic fronts Allied arms continued to sweep forward.

The Chinese recaptured the great port of Wenchow, on China's east coast only 440 miles west of Okinawa.

Yank doughboys in the Philippines punched deeper into the Cagayan valley where hundreds of Japanese troops surrendered.

Australian veterans on Borneo gained a strategic village on the northwest coast.

Bronze Star Awarded Posthumously to Sgt. Charles Critchfield

The Southwestern Division Army Engineers announced in Dallas today receipt of War Department advice of the posthumous award of the Bronze Star Medal to Sgt. Charles W. Critchfield, Box 44, Gause.

Sgt. Critchfield was cited for meritorious service in connection with military operations against an enemy of the United States from June 2 to 28 October 1944.

Mr. and Mrs. Charlie Russell of Yarrallton, Mr. and Mrs. B. F. Richardson of Rosebud, Miss Mildred Cryer of Austin, and Mrs. Charles Gray of Cameron were guests of Mr. and Mrs. J. A. Cryer of Cameron.

S2-C George Wallace, U. S. N., stationed at Florida is visiting relatives and friends in Cameron.

Lt. S. E. Malone who was recently liberated from a German Prisoner of War Camp is visiting relatives in Cameron.

A SUGAR CRISIS WITH ONLY 835 POUNDS LEFT

Members of the sugar panel of the Milam County Ration Board are tearing their hair this week following receipt of a telegram cutting the county's quota of canning sugar for June to 835 pounds.

There are on file in the office at Cameron over 450 applications for canning sugar to be granted out of the 835 pounds.

When the Milam county board received its quota cut to 835 pounds Monday, the county still had 92,000 pounds of sugar, remaining in its original quota, an amount which would have allowed a continuance of the 10 pounds per person schedule which has been followed in Milam county.

At the same time that Milam county was cut to 835 pounds, Brazos county (one of the Texas counties which had distributed its canning sugar loosely since the beginning, and had long ago used up all of its quota) was given an additional quota for June of 2300 pounds.

The Milam County sugar panel has watched its figures carefully this season and walked a chalk line in an effort to be sure that its quota of canning sugar would be distributed equally among all Milam county citizens. In 1944 a total of 541,765 pounds of sugar was issued here, and the 70 per cent cut in quota on May 1 this year gave the county a quota of 379,236 pounds. At the board office careful calculations have been made, the maximum issue of 20 pounds at first cut to 15 pounds per person, and then to 10 pounds per person to insure everyone getting at least a 10-pound issue. In many other Texas counties, such as neighboring Brazos, the canning sugar was distributed freely on the original maximum issue of 15 to 20 pounds, and in these counties the entire quota was quickly used up and there was little or none left for the rest of their citizens.

With 92,000 pounds of its quota quota is cut to 835 pounds, knocking into a cocked hat the local board's careful program to see that everyone got his share.—Rockdale Reporter.

Publication of the above was requested by the War Price and Rationing Board for Milam county. As soon as the facts are known to the Herald they will be published.

With 90th Division

PFC. LEO L. PORUBSKY

Pfc. Leo L. Porubsky who volunteered for the armed services of the United States is the son of Mr. and Mrs. Charlie Porubsky, Sr. of Curry.

Pfc. Porubsky volunteered January 5, 1941, and was first trained at Camp Roberts, Calif. He came to Camp Barkley, Texas, and remained there one and half years and then went on maneuvers in Louisiana. He was later sent to Los Angeles and then to New Jersey. He came home for 10 days and then left the country for overseas duty.

Pfc. Porubsky is now somewhere in Germany and had fought in many of the campaigns with the 90th Division. He was born and reared in Milam county and was 17 years old when he entered the army. Pfc. Porubsky has a brother, Charlie Porubsky, Jr., who is in a California hospital recuperating.

Mr. and Mrs. Paul H. Williams of Cameron have received word from their son Sgt. Paul H. Williams that he had reached the states and soon will be home.

Ensign Pauline Laake who is stationed at Long Beach, Calif., and Doris Laake of Houston are spending their vacation with their parents Mr. and Mrs. Paul Laake of Cameron.

Sees German Surrender

PFC. DONALD GLASS

Pfc. Donald Glass, member of an Anti-Tank Battalion Headquarters Company, witnessed the surrender of Germany and took part in one major battle and a number of minor engagements before the end came.

Pfc. Glass is now stationed in Germany. He left his home in Cameron in early March for a port of embarkation and reached France in Mid-March to take up duties with the infantry. He has since been transferred to a headquarters company of an anti-tank battalion and is doing clerical work.

Pfc. Glass is the only son of Mr. and Mrs. Lester Glass of Cameron and is a volunteer in the Army of the United States. He will be 21 years old on August 13, 1945.

He graduated from Yoe High School here at the age of 16 and attended Tyler Commercial College where he obtained a degree.

He returned to Cameron and was with the R. L. Batte Industries for 2 years. He entered the army in August 1944, on the 29th day reporting to Fort Sam Houston and was later sent to Camp Fannin at Tyler.

7th War Loan Buyers

The following list of bond buyers in the 7th War Loan has been compiled by the War Finance Committee and publication requested:

Alton H. Schiller.
Mrs. Toni Vogelsang.

\$324,656.25 E BONDS PURCHASED IN COUNTY

Purchase of E bonds in Milam county has reached the grand total of \$324,656.25 through June 16, it was reported Tuesday by Dan Tyson, War Finance Chairman.

The figures came in a report from Nathan Adams of Dallas, Texas War Finance Director, to Mr. Tyson.

The Milam county quota is \$360,000 and it is shown that the county is still short \$35,343.75. It was expected that this amount would be sold. All bonds sold through the month of June are credited to the 7th war loan.

Cookies and Flowers For McCloskey Boys

After eight weeks of rest Cameron will now take over the job of furnishing a quota of 2000 cookies each week for McCloskey General Hospital.

The Rockdale ladies, under the supervision of Mrs. Earl Ryan has been preparing the cookies for the past eight weeks, and according to Mrs. F. C. Fahrendorf, chairman of Camp and Hospital Council, Rockdale did a marvelous job of delivering the cookies and also the flowers. Mrs. Fahrendorf is grateful to Mrs. Ryan, the Churches, and to everyone who contributed in any way to the success of these eight weeks.

Starting in Cameron this week the ladies of the Catholic Church will prepare the cookies. Our quota is better than 2000 each week, and must be delivered to the New Cameron Drug Company not later than Saturday at noon, so that they will reach McCloskey for the evening. Flowers are also urgently needed for the wards. If you have any kind in your yard please cut them and leave them with the cookies at the New Cameron Drug Company.

Since sugar has virtually disappeared from the grocery stores syrup and honey will have to be substituted. There are many recipes using these two products which are very good. Regardless of the sugar shortage the cookies must be prepared and delivered to the boys at McCloskey. They are depending on them, and look forward to Saturday evening when they will be coming in.

J. O. Hughes Married To Mary Barnard in Alabama Ceremony

Mr. Hughes, long a prominent resident of Milam county and of Cameron, lives in the Ad Hall community where his farm is located. In his early life Mr. Hughes was a school teacher and superintendent of schools. He is one of the most popular men in this section and at one time was chief clerk in the office of County Clerk and was a candidate for county judge. His popular vote was one of the largest ever received by a defeated candidate. In recent years he has lived on his farm and is a frequent visitor to the city. He is a leader in that community and friends throughout this area will be happy to receive the news of his recent marriage.

After a short stay in Alabama they will leave for Texas to make their home.

Beautiful in its simplicity was the wedding of Mrs. Mary Barnard of Lacey Springs, Alabama, to James Oscar Hughes of Cameron, which was solemnized at the Central Methodist Church at Lacey Springs, Ala., Tuesday, June 12, 1945, at 3:00. The impressive ring ceremony was read by Rev. J. S. Blackburn.

Mrs. Paul Eubanks played softly "To A Wild Rose" by McDowell as the couple entered and during the ceremony.

The church was decorated with palms and baskets of shasta daisies on either side of the Altar.

The bride was attractive in navy sheer with matching hat and accessories. Her corsage was bride's roses and swansonia.

Only immediate members of the families were present for the wedding.

Mrs. Hughes has been a successful teacher in the schools of both Morgan and Marshall counties for a number of years.—The Decatur News.

Prior to the death of Charles VIII of France, in 1498, widows wore white as mourning. His queen, Anne, changed the custom when she clothed herself in black.

Paul Lannartz, agent for the Southern Select Brewery transacted business in Cameron Tuesday.

Returns From France

PVT. CHARLIE PORUBSKY, JR.

Pvt. Charlie Porubsky, Jr., is now in a government general hospital at Palm Springs, Calif. He recently returned from the combat area in France.

Pvt. Porubsky is the son of Mr. and Mrs. Charlie Porubsky, Sr., at Curry. He was inducted into the service in June 1944. He was 18 years old and graduated from Yoe High School in the class of 1944. He spent 4 months overseas. He contracted rheumatism and was sent to a base hospital in California, first arriving at Charleston, South Carolina, on April 22, 1945. Pvt. Porubsky writes that he is improving. He is a brother of Pfc. Leo Porubsky who is now stationed in Germany.

Cpl. Joe Fisher With Famed 32d 'Red Arrow'

WITH THE 32D INFANTRY DIVISION IN NORTHERN LUZON, Philippines—Cpl. Joe Fisher, husband of Mrs. Lois Fisher of Rt. 2, Buckholts, can claim the distinction of being one of the real veterans of World War 2. He is starting his fourth year overseas with the famed 32nd "Red Arrow" Division.

Cpl. Fisher, member of Headquarters Battery, 126th Field Artillery Battalion, came overseas in April of 1942. His theatre of action has been the long hard "road back" from Australia to the Philippines. Today the 32nd fights in the precipitous Caraballo mountains of Northern Luzon. Besides the current action on Luzon, he has seen action at Aitape in New Guinea and Leythe in the Philippines.

Fisher is entitled to wear the Army Good Conduct Medal, the Asiatic Pacific Theatre ribbon with three battle stars, and the Philippine Liberation Ribbon with one battle star. He participated in the Aitape, New Guinea operation for which the 32d Division received a commendation from General MacArthur for its outstanding performance against the enemy.

Home Coming Friday July 6th at Liberty

Annual Home Coming at Liberty on Friday July 6, has been announced by the committee on arrangements.

The home coming will be featured by an old fashioned picnic dinner. There will be public speaking. Liberty community is one of the oldest settlements in the county and many are planning to attend.

The public is invited and the people there are making preparations for a large attendance.

Mrs. J. L. York has requested the Herald to announce the home coming.

Son Born to Former Buckholts Couple

A son, John Delbert Sefcik, Jr., was born to Warrant Officer and Mrs. John D. Sefcik on May 3, 1945, at 8:24 p. m. at the Providence Hospital in Waco. He weighed eight pounds and thirteen ounces.

The grand parents are Mr. and Mrs. Henry A. Kuzel formerly of Buckholts now of Waco, and Mr. and Mrs. John J. Sefcik of Temple. The great grand parents are Mrs. Frances Kuzel of Buckholts and Mrs. Maggie Wokaty of Waco.

Mrs. Sefcik will be remembered as the former Miss Norma Marie Kuzel. Warrant Officer Sefcik is serving with the 9th Army in Germany, and has not seen his new son.

Mrs. Lloyd Harris and son visited relatives over the week end here.

Mrs. W. A. Allday of Rockdale made a business trip to Cameron a few days ago.

LT. ALLAN D. DUBOSE IS VISITING IN CITY

Lt. Allan D. DuBose of San Antonio who became a prisoner of the Japs in Burma after his P-51 fighter plane was shot down off Burma in December 1943, is in Cameron.

Lt. DuBose is the son of Mrs. Janie DuBose who was the former Miss Janie Black and was reared in San Antonio. Lt. DuBose is a nephew of Sheriff Carl C. Black.

After he was reported missing in action no word was ever received from him until he was liberated recently by British forces in Burma.

Lt. Black wears the Distinguished Flying Cross, Air Medal with Oak Leaf Cluster and stars indicating his two major campaigns. He had flown some 25 combat missions when he was shot down.

He will soon report to a re-assignment center in Florida.

Lt. Black is recovering lost weight and is feeling fine. A handsome tall Texan, he looks ever inch the part of a fighter pilot.

"Sudan" Will Arrive At Cameron Theatre

One of the most colorful adventure romances to come out of Hollywood in a long time will be on the screen of the Cameron Theatre Thursday when Universal's "Sudan" blows into town. Filmed in Technicolor, with the intriguing locale obvious in the title, "Sudan" co-stars Maria Montez, Jon Hall and Turhan Bey.

Based on an original screen play by Edmund L. Hartmann, this Paul Malvern production tells the story of Naila, spirited daughter of the King of Khenmis, who is found mysteriously murdered at the picture's opening. Naila mounts her father's throne, but the royal chamberlain plots to acquire it for himself.

First he must dispose of Naila, however, and this he proceeds to do by engineering her sale into slavery. She makes a spectacular escape and finds her way to a desert oasis, where she is found, unconscious, by a couple of carefree vagabonds, played by Jon Hall and Andy Devine, who take her in tow.

But Naila and her two companions are captured by the slaver and about to be executed when they are rescued by Turhan Bey, leader of a band of escaped slaves. It is Bey whom the royal chamberlain has accused of the murder of her father. It isn't until after some exciting pitched battles have been fought between the slave band, led by Bey, and the chamberlain's soldiers that the young queen learns the truth—that the chamberlain himself murdered her father, and not Bey.

Kathryn Fuller Weds S-Sgt. Roger Wimberly

A recent wedding of much interest was the marriage of Miss Kathryn Fuller, daughter of Mr. and Mrs. N. D. Fuller of Cameron to S-Sgt. Roger M. Wimberly, recently returned from overseas.

The ceremony was solemnized by Rev. C. W. Sanders, Friday, June 15, 1945, at 7:00 in the evening.

The couple left immediately for a short wedding trip to Austin, and other points. Sgt. Wimberly will report to his base in Florida when his furlough is terminated. Mrs. Wimberly will join her husband when he is located.

Lt. Charles D. Law At Illinois Base

George Field, Lawrenceville, Ill.—Lt. Charles R. Law, has reported to this Troop Carrier installation as a student pilot.

While here, he will learn Troop Carrier tactics in the field and Troop Carrier aircraft—the C-47, the C146 Commando and the CG-4A Glider.

Lt. Law, the son of Mr. and C. R. Law, Rt. 1, Box 175, Cameron, received his wings at Fort Summer, New Mexico in January, 1944.

He graduated from Yoe High School of Cameron in 1938, and attended Texas A. & M.

Walter and Sissie Henrichsen of Edinburg, after spending their vacation with their grand mother, Mrs. Anne Hendichsen of Cameron have returned to their home.

Mrs. C. T. Dodson and daughter were in Cameron recently.

Johnnie Yates who recently returned from the European Theatre of War is visiting relatives in Cameron.

MIKADO EMPIRE SHRINKS UNDER ALLIED BLOWS

U. S. Troops drove the enemy from the tallest peak on Okinawa's cliff line Thursday as the Japanese—resigned to the loss of the vital island with the center of the last-stand front thus cracked—trumpeted that they were prepared to crush any invasion of the homeland.

More bad news for the Mikado came from the southern reaches of his evaporating "Great East Asia Co-Prosperity Sphere." Australian troops seized Brunei, capital of the northwest Borneo protectorate of the same name and within striking distance of one good Borneo oil field.

For all their attempts to write off Okinawa as unimportant in the battle for Japan, the Japanese talked nervously of rising U. S. air supremacy on the island and declared flying Fortresses and Liberators from the European war were flocking to the Philippines.

Premier Kantaro Suzuki of Japan indicated that he was massing from 2,500,000 to 5,000,000 troops to meet the threatened invasion of the home islands.

Adm. Chester W. Nimitz's communique today announced that 100 Japanese had surrendered on western Okinawa's Oroku peninsula. Field dispatches told of the unusual spectacle of Japanese surrendering by the score, and of others being mowed down by their stubborn comrades when they tried to give up.

But on southern Okinawa the battle raged with all its wonted savagery and gains were recorded in hundreds

Boehner Heads the Highway Committee In Chamber Commerce

J. M. Boehner was named Chairman of the Highway Committee in the Chamber of Commerce. Farm to market roads are important under a new federal government allocation of funds.

Before requests for federal and state aid will be granted a survey must be made and project plans filed with the State Highway Department. This work will require the services of an engineer. The State Highway Department will furnish the county an engineer free of cost if the county will request his services.

The Commissioners' Court will have to buy right of ways. Thus far the court has obtained approval on three farm to market roads totaling 12 miles, seven miles in the Cameron territory.

BULLETIN

Guam, Friday, June 15.—American planes will begin hitting Japan with bombs at the rate of 2,000,000 tons a year by July 1, Gen. H. H. Arnold announced today in a dramatic press conference at the very moment 520 Superfortresses were dumping a 3,000 ton load on the great industrial city of Osaka.

of yards. The 96th division stormed up and captured 500 foot Yaeju hill, highest on the escarpment of the same name which is the bulwark of the enemy's last line of defense on the island.

In 1830 all elections in Texas were held on Sunday.

Pvt. John H. Davis Back in States; Was Wounded on Okinawa

Pvt. John H. Davis, United States Army, is now in California in an army hospital, recovering from wounds sustained in action on Okinawa.

Pvt. Davis' wounds are not serious but he was returned a casual to a western base hospital for treatment. Pvt. Davis was with Citizens National Bank before entering the army.

Mrs. Ottilie Lee Holder of Cameron recently visited her mother, Mrs. Mary Seidl of Rockdale who has been ill for several weeks.

THE Actual Science of Prayer

That Prayer—for safety, health, usefulness, happy relationships, progress, satisfaction or any other legitimate achievement or condition—can be a scientific as well as a religious experience, and therefore un-failing in its results, is clearly shown in Christian Science.

Through growing understanding of such prayer, or treatment increasing numbers of Christian Scientists in many countries are proving its value and thus are seeing the fulfillment of the Scriptural assurance, "Ask, and ye shall receive, that your joy may be full."

The complete explanation of Christian Science and its healing and enriching prayer is given in the Christian Science textbook,

Rules of Volunteer Firemen, or Who Gets the Pension?

The Herald has received the following statement from Will Crain, veteran of the Cameron Volunteer Fire Department, and its publication

is requested:

"To be eligible for \$25 per month from the age of 55 until death, rules and regulations are that you must have served 20 years in one town in Texas and have been a member up until 10 years before the law became effective. You must have

been a real volunteer and have fought all fires alike, day or night, without your white collar on, telling the other boys what to do, then the state of Texas says pay you, and they will have it."

The Pecan tree is the official tree of Texas.

Your Own Meat is POINT FREE

When you kill your own meat you do not have to give points.

Circulation has been given to a report that meat slaughtered by frozen food locker renters for their own use, required points.

We take this means of assuring all frozen food locker patrons that no points are required when they place meat for their own use which has been prepared for the lockers.

Due to the fact that this report has been circulated some have hesitated. Please be assured there are no government restrictions on your frozen food lockers and your own meat.

Pvt. R. Kamenicky Gets Infantry Badge In Philippines Area

With the First Cavalry Division on Luzon—Three campaign veteran Pvt. Robert B. Kamenicky, son of Mrs. Mary Kamenicky, Rt. 1, Camerno, has been awarded the Combat Infantry badge for satisfactory performance under enemy fire in the Philippines, it has been announced by First Cavalry Division headquarters. The Combat Infantry badge, an attractive blue emblem mounted with crossed rifles, was awarded to Pvt. Kamenicky by Colonel Charles E. Brady commanding officer of the Eighth Cavalary Regiment, after he had fought in the Leyte, Samar and Luzon campaigns.

ALL OUT FOR THE 7th
EVERYBODY! Buy More and Bigger War Bonds

THE Japs have boasted they're ready for a hundred years of war if necessary. And they mean it! It's up to you—everybody—to pour out America's might now in the Mighty 7th War Loan to show the sons of Nippon that their days are actually numbered. And don't forget, either, that the Mighty 7th is TWO GREAT DRIVES IN ONE—it takes the place of the two drives that were scheduled by this time

last year. That means, to do your part, you must buy MORE BONDS and BIGGER BONDS. For never has the need been greater. Mountains of equipment must still be made, shipped across thousands of miles of ocean and sent into battle before the final hour of this war. When you think you've bought all the War Bonds you can, that's the time to buy more.

DIG for AMERICA'S BIG 7th WAR LOAN

Staff Sgt. B. R. Lange Gets Combat Infantry Badge on Luzon

WITH THE 32d INFANTRY DIVISION IN NORTHERN LUZON, P. I.—Staff Sgt. Barney R. Lange, son of Mrs. Ethel Lange of Gause, and husband of Mrs. Gladys Lange of Gause, has been awarded the Combat Infantry Badge for exemplary conduct under fire.

In the service since May, 1943, S-Sgt. Lange has been in the SWPA for 18 months. He saw his first action at Saidor, New Guinea, with the veteran 32d (Red Arrow) Division, and is fighting at present among the rugged Caraballo Mountains in northern Luzon.

CHRISTIAN SCIENCE SERVICES

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 24.

The Golden Text is: "The earth is the Lord's and the fulness thereof; the world, and they that dwell therein" (Psalms 24:1.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth. . . . For he spoke, and it was done; he commanded, and it stood fast" (Psalms 33:6, 9.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Infinite Mind creates and governs all, from the mental molecule to infinity. This divine Principle of all expresses Science and art throughout His creation, and the immortality of man and the universe." (page 507.)

Miss Helen Reichert In Dish and China Ware Department

Miss Helen Reichert has been placed in the dish and chinaware department at the big new Culpepper store to open here on Friday, June 22, 1945.

Miss Reichert like all others in the store has been at work for several weeks arranging the stock in her department. She will take special pride on Friday in greeting the visitors at the store and to show them through her department.

She has been able to assemble many items in this department and its future contemplates one of the largest stocks in central Texas.

MARCH OF TIME

"The Returning Veteran"

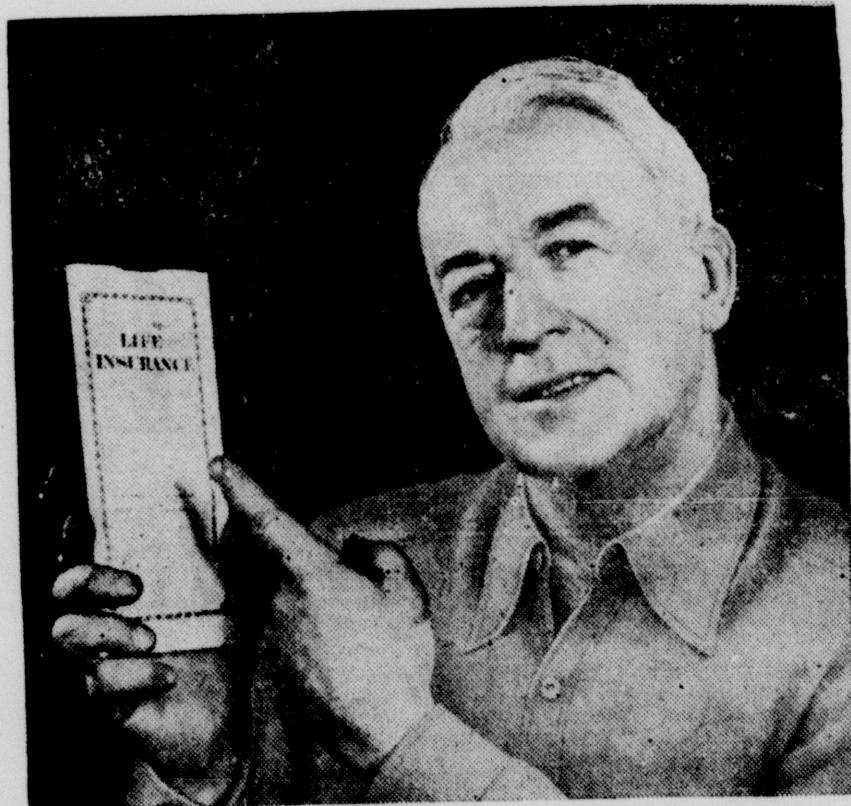

The courage which carried the American soldier into battle will see him through in the days to come, as shown in these scenes from March of Time's "The Returning Veteran." Once the shock of learning that he must go through life without his own arm has been overcome, the veteran above is surprised to learn things may not be so bad after all. One of the first steps toward recovery is learning how to use one of the new artificial arms perfected during this war. He starts his training on specially built practice doors and windows. Later, through participation in games like ping pong, he learns that pleasant pastimes are not necessarily denied him. And finally, encouraged by these successes which a year ago he would have declared impossible, he may well become an exceptionally skilled craftsman.

Any serviceman, however courageous, may encounter a series of shocks and ordeals more shattering than the human mind can support, as these dramatic scenes from March of Time's "The Returning Veteran" graphically demonstrate. For these men whose wounds though invisible are no less severe, the road back may be strewn with many emotional barriers and upsets. But sympathy and understanding can start them on the way to recovery through manual tasks which give them once more the sense of accomplishment. Finally, under the healing balm of time, they can resume a useful and happy life.

When
Mr. Brown
Retires

He's Going to Stay on the Farm

In a few more years, Mr. Brown will be 65, and he's going to quit farming then. But he isn't going to quit the farm. He's going to stay right there, and let Jim take over. It will be Jim's farm from there on, and Mr. Brown is just going to sit back and take it easy. And he won't have to ask Jim for money, either, because the check he'll get each month from Southwestern Life Insurance Company will be ample to take care of his needs—as long as he lives.

You can do exactly what Mr. Brown did, self! And when he realized that, he started investigating, and he found out he could do a dual job with Southwestern Life Insurance: protect his family in event of his death, or quit and let Jim take over, with an independent income for himself at a retirement age of his choice.

The cost of such a plan is so reasonable it will please you. It pleased Mr. Brown. Get the figures today and see for yourself.

From where I sit ... by Joe Marsh

Lee Mapes Sticks His Neck Out

We had a meeting at the Town Hall Friday night, and when Homer Bently spoke up for a new roof for the schoolhouse, Lee Mapes interrupts him.

"How long you been in this town?" Lee demands.

"Fourteen years," says Homer proudly.

"Then you keep quiet!" says Lee. "We can't have transients running things in our town."

I'm glad to report that all of us voted Lee down and let Homer have his say. I'm glad not just because the school did need

a new roof, but because it doesn't do to let intolerance and prejudice creep into a community.

Whether a man's stayed "put" a lifetime or a year, whether he works with his head or his hands, drinks beer or butter-milk—so long as he's a good American he has a right to speak his mind, and have his opinions (however different they may be) respected.

NAGOYA IS BLASTED BY B-29 BOMBERS

Guam, Saturday, June 9.—Between 100 and 150 Super Fortresses attacked aircraft factories at Nagoya, Naro and Akishi today with high explosives in a three-way raid on the enemy main island of Honshu.

The final battle for Okinawa flared violently today, with the divided and battered Japanese garrison under terrific pounding from land, sea and air in their two compressed positions on the island's southern tip.

Desperate Japanese suicide planes broke through the American aerial cordon in two days of frenzied attacks Wednesday and Thursday and damaged two small ships, but 67 of the attackers were shot down, Adm.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardul. If it helps, you'll be glad you did.

CARDUL
SEE LABEL DIRECTIONS

Chester W. Nimitz announced in a communique.

Long range fighter planes from Okinawa struck back at the enemy's suicide bases in southern Kyushu, shooting down eight planes.

While the struggle raged on at Okinawa, Japan's southern home islands again felt the blows of about 200 roving carrier planes of Adm. William F. Halsey's Third fleet, the Tokyo radio said.

On the Chinese mainland, there were further reverses for the Japanese.

A Chinese army spokesman declared 200,000 Japanese troops had been isolated in Indo-China, Thailand, Burma and the Malay peninsula by the Chinese counteroffensive in south China.

Under the impact of such reverses, the government-controlled Japanese news agency proposed a dictatorial

LIONS CLUB HOSTS TO YOE HIGH BAND

Cameron's popular Yoe High School Band, was entertained by the Lions Club Tuesday evening at Wilson-Ledbetter Park.

Mr. and Mrs. Francis Cox and some 60 members of the band were at the park at 7:30 p. m. Mr. Cox is the director. These happy guests of the Lions were served barbecue, salad, tea and soft drinks.

During the past two years barbecues have been under ban because of war demands and while there has been no lessening of war effort the Lions concluded that the Band had been neglected long enough and so arranged this program and feed.

The band is called upon to serve on entertainment programs for others and is usually taken for granted. The Lions in singling out the band for the object of a fine hospitality is paying the band attention long overdue.

The occasion was one of real enjoyment and the director and band members are praising the Lions.

Lt. Frank Newton Tell Rotarians of War Experiences

Life as he lived it for over three years a prisoner of war in Germany, was the background of an interesting address by Lt. Frank M. Newton to the Rotary Club and their guests on Wednesday.

Lt. Newton, first American bomber pilot to be taken by the Germans in this war, was shot down off the Island of Crete in the Mediterranean when his B-24 Liberator, the San Antonio Rose was attacked by German fighter planes.

Lt. Newton was badly injured when his plane landed on the water. All members of his crew except his bombardier were lost in the crash landing.

He said he swam to a small island and was greeted by a German sentry and later they found the bombardier on the other side of the island, unconscious. He had somehow floated to shore.

Lt. Newton spent almost 3 years in Germany. He was liberated by units of the U. S. Third Army and reached his home here last week.

His account of experiences in the various prisoner of war camps, was interesting. He was never treated brutally as was the experiences of many but the food situation was bad and privations through the long winter months brought him much suffering.

Lt. Newton will relate his story to the Herald and it will be published beginning Saturday or Monday.

Joe Bill White, Navy Man, Crowned King at Southwestern

Joe Bill White, United States Navy, was recently crowned King at Southwestern University. The occasion was the Coronation ceremonies held each year for the Queen of the university.

Miss Dorothy Perry of Houston, Senior, was crowned Queen Dorothy of the House of Perry.

White chosen by Miss Perry as her escort, was crowned King Joseph of the House of White, in colorful ceremonies in early May.

After 27 months in the South Pacific White was transferred to naval officers school. He has completed his courses at Southwestern and in July will go to the University of Texas for one year where he plans a degree in chemistry and will receive his commission in the navy.

At Southwestern he was Sophomore representative on the Student Council, a fraternity man and lettered in baseball.

Serving in the amphibious service he participated in the invasion of Guadalcanal in August 1942 and in five succeeding invasions, including Tulagi and Bougainville and Rendova in the Solomons group. His service ribbon bears seven battle stars.

22,500 Pounds Bran 1200 Pounds Poison Distributed Here

County Agent George Banzhaf said Thursday that his office had distributed 22,500 pounds of wheat bran and 1200 pounds of poison since June 1 and up to June 14.

Mr. Banzhaf said that the grass hopper plague is growing serious. Difficulties have been encountered in obtaining poison. He said a shipment was due from Coleman early this week but has not been received.

Mrs. R. W. Tehas, the former Miss Dorothy Sebesta and son Vernon Lee of San Antonio were guests of her parents Mr. and Mrs. E. J. Sebesta recently.

Don't Worry About Us! *We'll do it!"*

THEY tell us that the fat salvage problem has got to be licked in the *small cities, the towns and on the farms.*

Our country has to have *one hundred million more pounds* of used fats this year over last. And we're the people who must save it.

We've rolled up our sleeves! We'll save every drop and bit it is possible to scrape—and keep on doing it till the last *Jap* is licked.

HOW TO DO IT: Save all used fats in a tin can. Keep it handy to the stove. Scrape your broilers and roasting pans, skim soups and gravies, for every drop counts. Keep solid pieces of fat, such as meat trimmings and table scraps, in a bowl. Melt down when your oven's going, add the liquid fat to the salvage can. Take the can to your butcher as soon as it's full. He will give you four cents and two red points for every pound. Your County Agent or Home Demonstration Agent can give you full particulars.

100,000,000 More Pounds of Used Fats Are Needed This Year!

Approved by WFA and OPA. Paid for by Industry.

REPORT OF NEGRO H. D. COUNCIL'S FOOD STUDY

On June 2, 1945, Negro H-D and 4-H demonstrators from various sections of Milam county met at the County Agents Office, for the second food study of the year. The theme of the days program was "Our Meat Problem." This group was called together in an attempt to see what farmers and housewives can do so that their families may not suffer during the slack period.

Emergency War Food Assistants E. Crockett and C. L. Redus gave high points on types of meat other than beef and pork, that can be produced economically and quickly at home. Chickens, rabbits, ducks and fish were listed as ready sources of meat that could be produced for home use and perhaps for the market. Questions asked regarding the production of the sources mentioned above were answered in detail. Demonstrations on the preservation of poultry by way of canning and wrapping for the freezer locker received much attention.

At the end of the days program, negro women and girls had listed in

their notes the following things to do: Help lick the black markets, cut waste, stretch the supply, increase production of quick and ready sources of meat and preserve as much as possible.

Everyone pledged their co-operation to help plug the meat gap that will perhaps become more acute in the future months.

Mrs. Joe Robinson has returned from a visit with her son, Joe Robinson CM 1-C, who has been stationed in California. She reports a very pleasant trip, and says her son has been transferred.

Miss Mary Smith who is a nurse at Cameron Hospital became the bride of Sgt. L. D. Hill, who recently returned from China-Burma-India Theatre of War. They were married by Mr. Ezell of Buckholts.

Pvt. Glenn Kennon is visiting relatives and friends in Cameron for several days.

Sgt. Jack D. Loftin who recently returned from the European Theatre of War is visiting relatives in Cameron for several weeks.

Music Provided In Autry Film

Nine songs with accompanying music by the Tennessee Ramblers, noted radio sextette, provide the musical entertainment of Republic's re-release, "Ride, Ranger, Ride," playing at the Milam Theatre Sunday.

Heading the list is "On the Sunset Trail," written especially for the star by Sydney Mitchell and Sammy Stept, author of "All My Life," "Laughing Irish Eyes," and other famous hits.

The other musical and song numbers include: "Ride, Ranger, Ride," theme song; "Yellow Rose of Texas," written by Autry, "Follow the Bug-

ler," by Smiley Burnette, "Songs of the Pioneers," "When You and I Were Young Maggie," "Old Grey Mare," "Going Down the Road," and a "Merry Mix Up," featuring the Ramblers.

Whl Spiegel of Sharp was in Cameron Thursday.

Miss Doris Marie Wiley of San Antonio is visiting her grand mother, Mrs. R. S. Wiley.

Mr. and Mrs. R. C. Kennon are visiting relatives in Cameron for several days.

Mr. and Mrs. U. H. Bryant of Dallas are visiting in the home of Mr. and Mrs. C. B. Bryant in Cameron.

Developer and Top Producer of Synthetic Toluene

Baytown Ordnance Works, designed and operated for the Government by Humble, was the first plant in the world to make toluene synthetically from petroleum. Forty-five days before Pearl Harbor the first shipment of toluene was made; and since that time Humble has produced toluene for at least one out of every two bombs used by the United Nations. For this feat Humble has five times

been awarded the Army-Navy "E". This is one of the four important FIRSTS* in Humble's war production record.

Research and development in progress long before the war, backed by Humble's vast resources made possible these achievements. From this same combination of research and resources come top quality products for your car.

★FIRST to produce a billion gallons of finished 100-octane aviation gasoline at one refinery

FIRST in crude oil production

FIRST in U. S. production of toluene for TNT

FIRST in transportation of oil by pipe line

SCIENTIFICALLY DEVELOPED PRODUCTS

Eso-Extra, Humble 997 Motor Oil, and other quality Humble products are the culmination of years of intensive research, development and constant improvement.

Look for the Humble sign when you shop for your car's needs. Behind that familiar red, white and blue oval lies the experience of a great name and a great organization.

SUMMER MONTHS AHEAD MEAN....

....MORE WORK FOR YOUR REFRIGERATOR!

The Summer Season means overtime for your electric refrigerator... and heat can mean trouble for a refrigerator unless it is properly cared for.

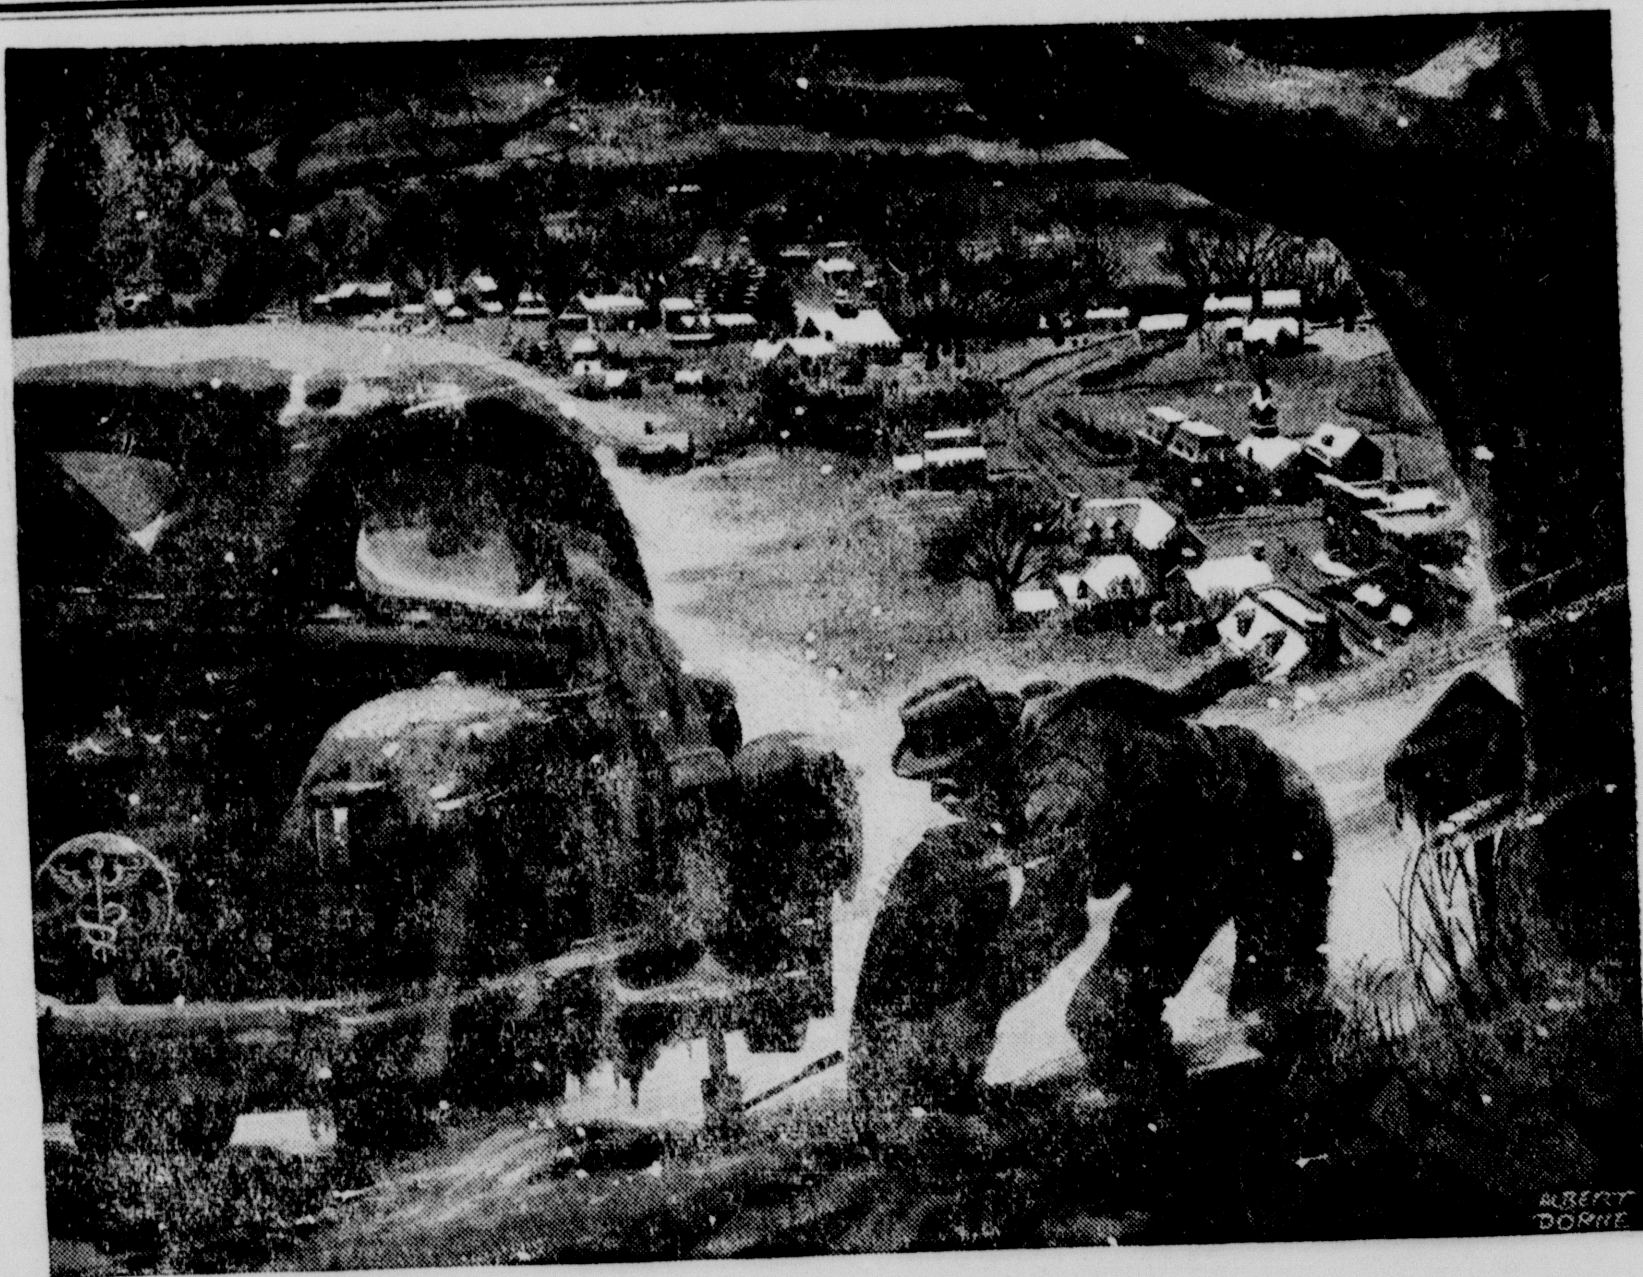

A regular system of correct care and use will prove invaluable in prolonging the usefulness of your refrigerator and will assure you greater efficiency of operation.

Because of the part they play in protecting the nation's food and health, America's electric refrigerators are making a major contribution to the War Effort.

Check the suggestions listed below... you will find them helpful in keeping your refrigerator in trim for rendering valuable wartime service.

1. Defrost Regularly... Follow manufacturer's directions. Defrost when ice on freezer reaches approximate pencil thickness. Let frost melt... never use a sharp tool. Empty drip water immediately.
2. Store Foods Properly... Meats and fish below in the cold storage container; milk and cream at top; butter, left-overs in the middle; vegetables and fruits in the crisper. Proper circulation of air helps, too... so don't overcrowd!
3. Keep the Inside Fresh, Clean... Wash with baking soda and water. Don't forget the freezer. Use soap and water for the shelves... and don't open the door too often... this overworks your refrigerator... especially in hot weather.

TEXAS POWER & LIGHT COMPANY

Office Hours: 24 Hours a Day

Your doctor, who is the first to detect a need for rest in others, has driven himself without mercy in wartime. He serves his own patients as well as those of absent physicians, yet finds time to keep abreast of medicine's many wartime discoveries.

Most people were quick to appreciate the doctor's sacrifices and looked for ways to encourage him. They attended his First Aid classes and learned to call him only when absolutely necessary. They volunteered to assist overtaxed nurses in crowded hospitals... and turned his dream of

a national blood bank into a magnificent reality.

Today the word, "cooperation", has a fuller meaning in America. The threat to our freedom has rekindled an intense national spirit... revealed amazing capacities on the part of our people to help themselves and their fellow countrymen until victory is complete. They are strengthened for the road ahead. They should go far, indeed, in aiding our gallant younger generation get the reward it has earned and will go on earning—progress in a world at peace.

When a product maintains the character that people respect, they are quick to demand it. Generations ago, the makers of Budweiser set a standard—distinctive in taste, pure, good and distinguished for its uniform quality. That's why people everywhere have agreed that Budweiser is "something more than beer... a tradition." No wonder it is the most popular beer in history.
